### 29 March 2018

Training Day for leak sealing homes for Junee High School Students and community representatives.

If you missed the media reporting of this inspiring day please click on the following links.

WIN TV ran it story as its lead story on the local news and Prime TV was about the third item.

ABC radio ran an article in Country Wide which covers all a regional NSW and northern Victoria. Unfortunately I have not had time to chase it down as yet.

Our local paper comes out tomorrow, but the online edition on Monday had this
